### What's a Dame to Do?! Board Game

A girls' night out calls for a few essentials: great food, mouthwatering drinks and a major gabfest. And for laughs, nothing trumps this fun board game. Quiz your girlfriends on typical "dame dilemmas" ("I just got the worst haircut of my life - what's a dame to do?") and correctly guess their reactions to said dilemma (would she "have a good cry" or "declare cocktail hour"?). See how well you know your gal pals and have a blast doing it!
