Freebie Friday: Win A Game For Dames And Make Your Own V-Day Fun

What: Three [Games for Dames](#) , one each for three lucky winners

Why: With Valentine's Day fast approaching and many of us becoming increasingly annoyed with all the sparkly hearts adorning our favorite take-out place (is that just me?), Games for Dames has the perfect antidote: the old-school-style board game *What's A Dame To Do*.

The [game](#) requires minimal setup (wine not included) you won't have to argue over which nightspot to go to. You can play with up to eight female friends, so it's great for hosting a single-gals get-together or getting back in touch with attached friends who've jumped the social ship.

How: To enter (and for a preview of how fun this game can be), post a "what's a dame to do" moment in our comments section: Did you and your significant other accidentally leave the shades open on V-Day last year? Ever clogged a toilet at a party? Was the last time you saw your ex on an early-morning walk of shame? Spill your embarrassing moment below for a chance to win.

And don't forget to check out [MomFinds](#) for a chance to win a \$150 shopping spree at Bare Necessities.
