WHAT'S a dame to do?!

I was just given a board game by a colleague as "the answer" to my ho-hum mommy playdate woes. The game is called "What's a Dame to Do?" You pick a "dilemma" card, and then your mommy mates try and match you with the appropriate "response" card. Because I so rarely laugh to the point of tears, I thought I'd share this nugget to brighten up your potentially ho-hum Monday.

DILEMMA: As you enter an elevator, your arm accidently hits a guy's groin area. WHAT'S A DAME TO DO?

Sample RESPONSES to choose from:

1. Ask for a hug
2. Pretend you're on a scavenger hunt
3. Apologize
4. Pretend to faint

Personally, I'd introduce myself. What would YOU do?

(p.s. to order this game, check out their website: <http://www.gamesfordames.com/> - SO fun)

In case of stone cold foxiness, then....I'd have to slip him my card....

Actually had this happen, I kind of looked away, looked back blushed the entire time joked, so was it good for you and introduced myself. Not because i was hitting on him but I figured since we had something between us (literally) we should at least know each others names LOL

Funny! I think I must go purchase! :-). I usually brush up against strangers' groins on purpose, so the accidental accidental point kind of throws the equation!
